

**Dr Olorunda Rotimi** MB.ChB; MRCPATH; PGD Health Research  
Director, *Medicals & Health*

Dr. Olorunda Rotimi is a medical graduate of Obafemi Awolowo University, Ile-Ife. He had his postgraduate training in histopathology both in Nigeria and in the UK. He is a member of the Royal College of Pathologists. He is presently a Consultant Histopathologist at Leeds General Infirmary and Honorary Senior Lecturer to University of Leeds, UK. He has Postgraduate Diploma in Health Research from Leeds University.

Dr. Rotimi has practised Medicine in Nigeria and the UK for the past 17years. He is committed to developing the practice of Histopathology in Nigeria and has been running workshops for histopathologists and laboratory scientists in Nigeria. These have led to the establishment of Immunohistochemistry laboratories in the country.

Dr. Rotimi is the Resident Histopathologist in *Medicals & Health*, the Director overseeing diagnostic services.

As committed Christian, Dr Rotimi is actively involved in raising support for mission work especially in Nigeria, one of which is Calvary Ministries (CAPRO): a non-denominational global Christian missionary movement of African origin, taking the gospel to the remaining unevangelised parts of the world with a particular focus on the Muslim peoples of Africa and the Arab world.
